About Self

I am a Management Graduate (MBA) passed out in the year 1995-96.

Business

Prepress

The Prepress industry is in the name of Aalishan Scan Graphics where we do the scanning, designing, colour separation and multi coloured offset printing works for the printing industry in and around Jabalpur region. We have the most modern equipments and machineries for the above work and the first of its kind in the central India.

Healthcare Diagnostic

We have a multifaceted health care diagnostic centre in the name of National Max Health Care, well equipped with a computerised pathology unit with facilities of X-ray, Lung Function Test, Sonography, Ultrasound and also the franchise of the famous Metropolis Pathology Laboratories and Dr. Lal Path Labs.

DCW Engineering

A mineral processing industry where we do processing of minerals which in turn is supplied to the investment and precision casting industry and also to the refractory industry as well.

Sun InfraCon

We manufacture high quality fly ash bricks with standard norms which is being supplied to the Power plant.
